CAT SHOW PEDIGREE COMPETITION

2024 PERTH ROYAL SHOW SCHEDULE

“To showcase the excellence and quality of feline exhibits and to promote responsible cat ownership”

Mission Statement

Domesticated cats have been our companions for thousands of years. We find their beauty, grace and independence irresistible. Royalty of the cat world will gather at the Perth Royal Show for the breed championship which judges cats for the Supreme exhibit titles. Mature cats star in the golden oldies competition judging senior, veteran and vintage pedigrees while the breed line competition is a family affair showing off generations of bluebloods. The sire or dam of excellence competition judges parents who have produced offspring even more perfect than themselves.

I was an outdoorsy child, a collector of frogs, a climber of trees and a fan of fishing with my gran. I also loved to read and sing. I was an avid rider, always surrounded by horses, dogs and cats. A lover of all animals, I sorely missed having them at home, so my first 3 Ragdoll cats arrived from the USA in late 1997.

In January 1998, our family's cattery prefix "RAGMAGIC" was registered with TICA, we became TICA members, and I joined our local TICA club. After attending my first few shows, I was well and truly hooked! These last 26 years in the Cat Fancy have brought so much joy to me and my family and have enriched my life with experiences and memories I could never have dreamed of. I have made friends with other crazy cat people from all over the world and seen some incredible cats! I hope I'm able to keep living this passion for a good number of years to come.

I became an All-Breeds judge in 2023, over the years attaining many regional, and international wins, we also achieved best TICA International Ragdoll in 2013, 2014, 2015, 2018, and we achieved the TICA Cat of the Year in 2019 which was the first time a Ragdoll had won this prestigious award.

We have bred, owned, and titled various breeds which include, Ragdoll, American Curl, Siberian, British Shorthair, Cymric, Scottish Fold, Cornish Rex and, American Bobtails.

I have held many positions in TICA, these include 26 years with a TICA affiliated club TICACats, as Vice President, President (current) as well as having organised a multitude shows (including 5 Regionals and 1 Annual) in addition to four terms on the TICA Ragdoll Breed Committee; and two terms as Breed Chair

Erin is an Australian Cat Federation All Breeds judge. She gained her Group Two licence 2001, Group Three in 2006 and became All Breeds in 2008 and has judged in Australia, New Zealand, China, Philippines, Malaysia, USA, Argentina, Indonesia, South Africa, Germany and the UK.

She also holds an Australian National Kennel Club and FCI International All-Breeds dog licence for conformation and lure coursing and judges extensively in many countries throughout the world.

With a passion for quality animals, Erin enjoys the opportunity to visit and judge both cats and dogs in many places. She holds a strong belief that we owe our animals the right to a healthy and comfortable life, so considers that while a truly beautiful show animal is a joy to the eye, that animal must also be physically correct.

Erin has enjoyed showing many top winning cats under the "Quanmarra" prefix and has exported Oriental Shorthairs to the USA and Europe, with some of these cats achieving very prestigious wins, including All Breeds International Cat of the Year for TICA (USA) in 2000 with SGC Quanmarra Bonnie Price of Pzazz. At home, the Quanmarra cats consistently achieved top awards until judging commitments and her roles within the cat and dog fancy, brought about the decision to cease breeding.

When not at shows, Erin shares her home with two Maine Coons and one very evil Oriental Shorthair and of course, the dogs. As well as her involvement in both the cat and dog world, her interests include cooking, gardening, reading and enjoying people.

Lee-Anne Pitman-Pryde started in the Cat Fancy in 1992 although she grew up with both semi- longhair and shorthairs' cats as well as Cocker Spaniels. Her first Pedigree cats were a Blue Cream Persian and a Blue Cream Colourpoint.

In 1995 she trained as a Steward so she could be more involved in shows and to learn more about all the different breeds of cats being shown.

In 1996 she began breeding British Shorthairs but after finding Exotics at the ACF Nationals in 2000 she knew her heart belonged to Persians and Exotics, so she made the decision to give up breeding the British so she could give all her attention to her Persians and Exotics.

She has had a very successful show career with both her Persians and Exotics winning Supreme on several occasions as well as countless Best in Group. She took some time away from showing and judges training in 2014 and 2015 while she studied, returning to showing in 2016. In 2005 she began her Judges training in Group One, followed by Group Three training in 2008 and finally completing her Group Two training in March 2019. She has judged in Adelaide, Melbourne and will be judging in Darwin in September 2019.

If an Exhibitor has not received advice of such a cat/kitten registration number by the time the entry is lodged with RASWA, the Exhibitor should show "Pending" in lieu of the registration number on the application for entry, and should advise the Competition and Event Coordinator or Show Manager of the number as soon as the registration has been effected so it may be included in the catalogue.

2.5 Unless an Application for Transfer of Ownership of a registered Pedigree cat/kitten has been lodged with the registrar of a duly constituted and incorporated cat registering body approved by RASWA by 4.30pm on the Friday before the closing date of entries, the cat/kitten must be entered as belonging to the previous owner.

All Exhibitors shall at all times conform to and observe such directions and orders as the RASWA member shall from time to time give Exhibitors with respect to management and control of their exhibits. This includes their arrival on the Showground, benching, preparation for judging and departure from the Showground. In the event of disobedience or breach of any such direction or order the Exhibitor shall be brought before the Executive Committee and, if found guilty, shall be subject to reprimand or disqualification from exhibiting, or in the case of a member, to expulsion from RASWA.

11. VERIFICATION / INSPECTION

11.1 Exhibitors or their Agents, when called upon by the Stewards or RASWA shall prove the correctness of their entries.

12. VETERINARY INSPECTION

12.1 If it is brought to the attention of the Show Manager that an exhibit may require examination, an on-ground veterinarian may be called upon to inspect the animal. At the veterinarian's discretion the animal may compete or be withdrawn.

12.2 Veterinary inspections at the Show are for general health, rather than diagnostic purposes. The Veterinarian will look for signs of infectious or contagious diseases and parasitic infestations, which are transmissible to other cats. If a cat is under veterinary treatment, it should have a certificate from the attending Veterinarian indicating the diagnosis and the treatment regime. This certificate must be handed to the Show Veterinarian before examination. The final decision will rest with the Show Veterinarian.

15.5 Hire cages must be left clean by Exhibitors.

15.6 It is the responsibility of Exhibitors to provide litter trays and water bowls for their cats.

16.8 Exhibitors will have an opportunity to speak to the Judges after the conclusion of the final judging and presentations.

16.9 In the event of there being no competition in any class, a prize card may be given to an exhibit if the Judges consider the exhibit worthy of merit. Conversely Judges are requested to withhold prizes (including Challenge and Award of Merit Certificates) where the exhibits are of an inferior type or are not suitable for the class in which they are competing. Judges may award a second or third prize instead of first prize. A Judge's decision on the merits of the exhibits in the Show shall be final.

16.10 Challenge and Award of Merit Certificates may be awarded to the winning cats in the eligible Open classes at the discretion of the Judge, irrespective of the number of entries.

16.11 Any persons insulting or interfering with the Judges or Officials or behaving in an unseemly manner during the Show will be subject to removal from the Showground, and prizes, if awarded to such person, may be forfeited to the Society, and he or she shall be brought before the Executive Committee and, if found guilty, shall be subject to reprimand or disqualification from exhibiting or, in the case of a member, to expulsion from RASWA.

18.2 Single-entry tickets will be provided to gain admission to the Showground to re-bench exhibit(s). Please refer to "Exhibitor's Passes" for allocation of tickets.

18.3 A fine of up to \$30.00 per exhibit MAY be imposed, and all prizes won will be forfeited, if exhibits required for judging are not benched on Monday 23 September 2024. The Show Manager is to be notified by 4.00pm on the initial day of judging if a cat cannot be returned for final judging, for any reason whatsoever.

18.4 Exhibitors will render themselves liable to a penalty of \$30.00 by removing any official placard, ticket or ribbon affixed or posted by the Stewards, or by affixing any other placard, ticket or ribbon in lieu thereof, or by refusing in any way to carry out instructions. be made against the Judge's decision as to the merit of exhibits. In all cases the decision of the Judge as to merit shall be final.

19.2 An objection may be lodged with the Show Manager at the Davis Pavilion against any cat by any Exhibitor. Objections must be lodged no later than 12.00pm on the day after final judging and must be accompanied by \$50.00 which may be forfeited to RASWA if, in the opinion of the Chief Executive Officer, the protest or objection is unfounded, frivolous or vexatious.

19.3 A protest or objection together with all matters arising therefrom shall be determined by RASWA in such manner as RASWA sees fit and shall not be the subject of any appeal to any court or any order for review or other order of a similar nature.

19.4 Any prizes withheld as a consequence of a valid protest or objection shall be forfeited to RASWA.

19.5 If an exhibit is awarded a prize and is subsequently disqualified (either by protest or for any other reason) the prize will not automatically be awarded to the next placegetter. The final decision will be at the discretion of the Judge.

BREED LINES

Only Pedigree exhibits are eligible, and all generations must be a registered financial member of good standing with a duly constituted and incorporated cat registering body approved by RASWA.

The aim of judging is to assess the improvement over each generation.

A BREED LINE IS THREE (3) OR MORE GENERATIONS.

The prefix of the youngest cat in the breed line is one under which the breed line is to be entered, but not all cats in the Breed Line need bear the same prefix. As long as the generations go back to the same Grandsire or Granddam, the three (3) generations DO NOT have to be owned by the one (1) person, but all generations must be present on the Show Day. Kittens must be at least 10 weeks old.

To be eligible for the Breed Lines, exhibits do not have to be perfect examples of the breed, but the three (3) or more generations must show an improvement against their Pedigree standard. This means mismarked cats, for example, can be entered in this competition and will not be penalised.

Exhibitors are encouraged to stay for the judging and may handle their own cats during judging.

Sashes and prize money will be awarded to the Best Breed Lines and to the Longest Breed Line Exhibited. (e.g. where there are four (4) or five (5) or even more generations). Where there are two (2) or more lines of the same length, the prize will be awarded to the best as determined by the Judge.

Your Breed Lines can also be entered in the Golden Oldies competition and Sire and Dam of Excellence and vice versa.

SIRE OR DAM OF EXCELLENCE

Only Pedigree exhibits are eligible, and all generations must be a registered financial member of good standing with a duly constituted and incorporated cat registering body approved by RASWA.

The aim of judging is to assess the quality and consistency of the offspring produced, as if judging a litter. More credit is given to several consistent offspring than for one outstanding offspring and several average offspring. More credit is given for offspring of several different ages/ litters than for offspring of one specific birthdate.

AT LEAST TWO (2) OFFSPRING AND ONE (1) PARENT ARE REQUIRED TO ENTER THIS CLASS. THERE IS NO MAXIMUM NUMBER OF OFFSPRING FOR THIS CLASS.

The Sire or Dam of Excellence class is designed to award those cats that have produced consistently good examples of their breed. The class is entered in the name of the Sire or Dam (and the registered owner), but not all cats in the class need bear the same Prefix, as long as the offspring all bear the same sire or dam, they are eligible. Cats entered in this class DO NOT have to be owned by the one (1) person and may be either entire or desexed. Kittens must be at least 10 weeks old.

To be eligible for the Sire or Dam of Excellence, the Sire or Dam exhibits do not have to be perfect examples of the breed but must have produced offspring that show consistency and an improvement against their Pedigree standard.

Exhibitors are encouraged to stay for the judging and may handle their own cats during judging.

Sashes and prize money will be awarded to the Sire or Dam of Excellence, the Reserve Sire or Dam of Excellence and the Third Sire or Dam of Excellence. Further placings may be allocated dependent on entries.

This is an excellent opportunity for breeders to show their Studs and Queens who may not have had the recognition they deserve for producing outstanding progeny but are invaluable to any breeder and breeding program.

Your Sire and Dam of Excellence entries can also be entered in the Golden Oldies and Breed Lines competition and vice versa.
