

SHOW HORSE COMPETITION

2025 PERTH ROYAL SHOW SCHEDULE

ROYAL
AGRICULTURAL
SOCIETY
of WA

“TO PROMOTE AND SHOWCASE THE HIGHEST STANDARDS OF QUALITY AND EXCELLENCE BY WAY OF EQUINE COMPETITION”

The Show Horse competition comprises horses and ponies which are divided into Show Hack, Show Hunter, and Rider competitions. Horses are judged on conformation, presentation, manners, and paces within their field. Show Hacks

should have a fine bone conformation, show hunters should be a pleasant ride and the Rider competition judges the rider's skill and equitation. A win at the Perth Royal Show opens the door for a Show Hack or Show Hunter to compete at a National Championship.

This class, which was first held in 1949 in memory of Mrs Pelloe, is specifically for a lady and her horse.

Mrs Emily Pelloe was a very talented woman and made a considerable contribution to the development of Western Australia. Her many fields of endeavor included art, writing and horse riding.

In the early 1900's she combined her love of horse riding and the study of Western Australian wildflowers with numerous excursions into the bush to paint and sketch wildflowers. Her journals, which are held in St Catherine's College, are recognised as the only record of some Western Australian wildflowers, which have disappeared from the Australian bush.

Conditions of Entry: The name of the horse and rider must be given on the application for entry. The horse nominated **does not need to have been accepted for Hack/Show Hunter classes at the current Perth Royal Show.** No substitute of horse or rider will be permitted.

RASWA has discretionary power to ensure that the "spirit" and principles of the class are maintained.

SHOW HUNTER COMPETITION

These classes are subject to EA, SHC and the RASWA guidelines.

Description: Show hunters should be of good conformation and soundness and have strong bone without losing quality. A hunter should be able to carry its rider for a full days hunting. They should give a stronger impression than some hacks having a more noble head rather than a fine small head. The head should however be intelligent and 'fit' the horse/pony. They should exhibit boldness and be tractable, supple, free moving and balanced. Show hunters should create the impression that it is capable of hunting over a variety of terrain – this militates against any weakness in conformation which would prevent this and must do it comfortably for the rider.

The hunter must have a well balanced gallop moving from the shoulder with hind legs well under and can display quality without being unduly fine. All paces should be straight and free in action and the hunter should possess a steady temperament, a natural balance and display a degree of boldness. They may be of any colour.

Horse: Should be to type and immaculate, they should be presented in a natural state. Manes to be plaited and tails to be pulled or plaited. Horses should not have quarter markers or checkers as used in show horse classes, but large patterns are acceptable.

Rider: Preferably tweed jacket although plain navy or black fabric are acceptable. Tweed can be blue, green or brown mixture, the colour chosen should go well with the mount. Bowlers or hunter caps covered by plain velvet in dark colour to match the jacket. Riders 17 years of age and under to wear approved safety helmet. Shirt with collar to tone with jacket and plain or discreetly patterned tie. Jodhpurs or breeches should be fawn or beige. Short boots for children and long boots for older children and adults. Buttonholes are not usually worn. Gloves should be plain and match the rider's boots.

Gear: Saddlery should be clean, neat and well fitting but may be more 'workmanlike' than for a ridden Show Horse bridle should be simple double or snaffle and have plain brow band (no coloured or fancy brow bands). Saddle should be straight cut show saddle. Dummy spurs are permitted.

Qualifying Conditions for Show Hunter Classes:

1. The horse/pony must hold a current Show Horse Performance Card.
2. Registration with the Hunter Horse Association of Australia is accepted.
3. Novice Classes: Entering a restrictive class in the 2025 Perth Royal Show does not imply being able to enter a novice class the following year.

General Conditions:

1. Horses/ponies may only compete in either Show Hack or Show Hunter classes.
2. Horses/ponies may compete in only one (1) weight class.
3. Horses/ponies will not be allowed to transfer from one weight class to another following the close of entries.
4. The length of whips carried in Hack classes must not exceed 75cm.
5. Competitors must provide breastplate holders for their number cards.
6. Ribbons may be provided from 1st to 6th place at the Judges' discretion.
7. Although it is accepted that horses/ponies may compete in more than one (1) class, any or all of such classes may be judged simultaneously at the convenience of the Ringmaster. In all such cases, Exhibitors who have a Hack or Rider entered in more than one (1) class must elect in which class they compete.
8. The Royal Agricultural Society of WA reserves the right to combine, divide or withdraw classes where applicable.

- c) the body with which the exhibit is registered, or is eligible for registration, the result of any proceedings before the Disciplinary Committee in which a Person has been found to have breached any General Show Regulation or Section Condition.

The Society may recognise and act upon any penalty imposed by any other similar society, organisation or body in Australia on any Person or exhibit.

WITHDRAWAL OF EXHIBIT BY THE SOCIETY

The Society may at its sole discretion, withdraw, reject or disqualify an exhibit. Upon notification by the Society the Owner/Exhibitor of the exhibit must immediately remove such exhibit from the Showground. Refer to the Society's General Show Regulation 3.18. If an exhibit is not collected or removed by the Owner/Exhibitor, the Society may, at its sole discretion, dispose of the exhibit in a manner it determines.

PRIZE MONEY

RASWA has a policy whereby all prize money is paid by EFT (Electronic Funds Transfer). Your banking details will be kept secure and can only be used by RASWA to credit your bank account. Please complete your account details on the entry form even if you have provided them previously. In accordance with the rules of the competition, failure to provide your bank details will mean that any prize money you earn will be forfeited and retained by RASWA.

Furthermore, you acknowledge your agreement to the following:

- The Society will issue you a tax invoice with respect to the successful Exhibit;
- You are requested not to issue a tax invoice to the Society in respect to prize money received;
- It will be necessary for you to notify the Society if you cease to be registered for GST; and
- The Society will notify you if it ceases to satisfy any of the requirements of the determinations.

If you provide your ABN but are not registered for GST, the Society will pay the prize money as detailed in the prize schedule.

If you are a business Exhibitor and do not provide your ABN to the Society, you will have 47% tax deducted from your prize money under the ATO PAYG provisions.

If you confirm that you are entering as part of a private recreational pursuit or hobby, the Society will pay the prize money as detailed in the prize schedule.

Payment of Prize Money: In all classes, prize money will be paid based on the details in the financial name section of the entry form. If a horse/pony competes in an event for which it has

not been nominated and is awarded a prize, such prize money and ribbons will be forfeited.

Prize money as stated in the schedule does not include GST. The prize money which the Society pays to successful Exhibitors (“you”) depends on the information that you provide to the Society.

If you confirm that you are GST registered and provide your Australian Business Number (ABN) the Society will pay the appropriate prize money plus 10% GST. The Society will provide to you a Recipient Created Tax Invoice (RCTI) within 28 days of the day you were successful at your event (subject to receiving full clearance from all swabs taken during the Show), detailing the GST which you will need to submit to the Australian Tax Office (ATO).

If any adjustments need to be made, the Society will issue an adjustment note to you within 28 days of the adjustment. Upon entry into the competition and completion and signing of the application form, this form will become a RCTI agreement as required under Goods and Services Tax Act 1999.
